## Quote Registration Number and membership number 3708312

Your vehicle is enrolled through Fleetcare (Emergency Roadside Assistance). Please affix the yellow sticker we have enclosed on your windscreen.

If your car is broken down, locked your keys in your car, have a flat battery or flat tyre, please call Emergency Roadside Assistance, 24 hours/7 days a week.

## Tyres, Service & Maintenance

Alliance Fleet Services have accredited network of repairers nationally that service and repair to the manufacturer's specifications.

You are required to book your car with a credited repairer agent. All repairers are required to call our Maintenance Control Centre on toll free number **1800 66 1234** and advise details of the work to be performed prior to authorisation being given. The repairer will then send us a tax invoice and all charges will be charged to Alliance Fleet Services account.
